

CPR REQUIREMENT

Training in cardiopulmonary resuscitation (CPR) that covers **INFANT, CHILD, and ADULT** CPR skills is required for credentialing purposes. The CPR requirement must be met through a hands-on, classroom course. **ONLINE COURSES ARE NOT ACCEPTABLE.** Submit a copy of the front and back of your CPR card to our office for verification. CPR cards must be **valid** at the time your credential is to be awarded. Please note: agencies issue CPR cards with various validity periods (i.e., 1 year, 2 years) so plan accordingly.

Below is a list of agencies that our office has compiled. You are not limited to these agencies.
