

|   |             |  |                          |                          |  |
|---|-------------|--|--------------------------|--------------------------|--|
|   |             |  |                          |                          |  |
|   |             |  |                          |                          |  |
|   |             |  |                          |                          |  |
|   |             |  |                          |                          |  |
|   |             |  |                          |                          |  |
| Enter the total units and check semester or quarter units | TOTAL UNITS |  | <input type="checkbox"/> | <input type="checkbox"/> |  |
|   |             |  | Semester                 | Quarter                  |  |

**Check one:**

- I have completed 24 semester units (36 quarter units) of coursework.**
- I have completed at least 18 semester units (or 27 quarter units) and meet all other admission requirements.** You may be conditionally admitted to the program. Candidates will be scheduled to meet with a program advisor prior to enrollment to finalize a plan for completing the SMC requirements before student teaching. To prepare for this meeting, indicate when and where you plan to complete the remaining EC/CD units. **Check one option below and provide the institution where you will be completing the coursework.**
  - I plan to complete the remaining EC/CD units PRIOR to starting the PK-3 program.
    - I plan to complete the remaining EC/CD units BY THE END OF THE SUMMER SEMESTER of the PK-3 program.
  - I plan to complete the remaining EC/CD units BY THE END OF THE FALL SEMESTER of the PK-3 program.

*\*\* Note: This option will require spreading out the initial semester of PK-3 courses to two semesters and will extend the length of your program.*

I plan to complete the remaining EC/CD coursework at the following institution:

---
